for Easysnap
unit dose kit

Card & Flyer

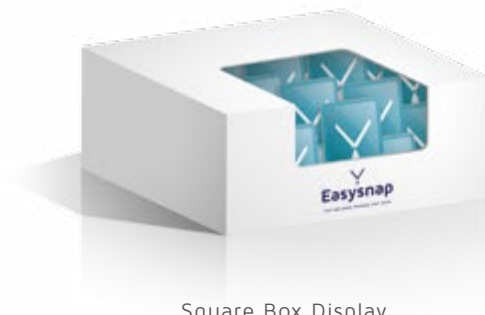

Pouch

Paper Box

Pocket Box

Square Box Display

Plexiglass Display

Counter Desk Display

This page will illustrate a few examples of secondary packaging for our Easysnap sachets.

Each of these examples were created by our customers or designed under our advice. These are arranged depending on the amount of Easysnap unit doses that may be contained in each downstream package. These examples are just design ideas. You can achieve your personal and specific secondary packaging for Easysnap.
